2 free places in Greece for approved EVS project, **only for Italian** volunteers, able to start in January, February or March 2017.

Duration of the project: 5 to 12 months.

Because the volunteer will live for many months with other volunteers and work with the teachers and the children of our schools, must fill the following criteria:

We are not targeting to “expert” people with high qualifications, millions of certificates, presidents, queens or kings, but to simple, easy going, positive and creative young people ready to "offer" some months of their life on the realization of “Cooperative” learning New Technologies, Educational, Cultural and Sport projects.

The suitable volunteer is a young person who don't need to live in a big city, 5 stars accommodation, nightlife, privacy and comforts, but a person who has as priority on having a non-formal learning experience, by living, cooperating, and working with other European young people and work with Greek children, accept and respect our old-fashioned school's community's culture and habits, without hesitation and without trying to change them.

A person, (usually coming from a small village), who will appreciate every new (simple) experience and knowledge, also willing to offer his/her knowledge to the others.

The interested applicants must write E-mail to [info@tes.gr](mailto:info@tes.gr) and ask for our project's questionnaire.
